the outer self and the Presence into an intelligent and harmonious partnership.

In return, I humbly ask that each night you direct your soul (as you direct the car by the steering wheel) toward the Retreat of the month, before sleep, and it will pursue its course unerringly aided by the magnetic currents established for this purpose.

Hilarion's Retreat at Crete, then, is your Day Star until February 14th. My Gratitude and Love enfold you.

Blessings and Love,

Beloved Children of My Heart:

From time to time individuals are of the opinion that there is no need for a Mediator or Bridge to connect the God-Self with the outer intellect. These people are honestly and firmly convinced that as the Presence is connected, through the Holy Christ Self or Higher Mental Body, with the heart of every lifestream, outside means of communication and spiritual guidance are unnecessary. To these people I address the following:

The purpose of a Mediator is to convey the TRUTH from the Heart of God to the outer minds of individuals who have lost their personal and direct contact with their own Divinity. When this purpose has been accomplished, no mediation or transmission of consciousness is necessary, but until this point is reached, the outer minds of men (unable to rise to the inspiration of their own Higher Selves) are benighted, and through the Mercy of God are given enlightenment by those who have attained a degree of evolution wherein they may climb the Mount of Attainment, assimilate the Truth and carry the knowledge of that Truth back to the pilgrims on the Path. The wise pilgrims will avail themselves of the Cup thus offered, and in so doing, their climb up the Mount of Attainment will be less arduous.

Every lifestream on the planet has had direct communication with the Presence from the time individuality first took place. Over every life-

stream on the planet there hovers a Silent Watcher; yet, without a Mediator or Spiritual Guide in flesh form, these individuals are unable to receive direct guidance from their own Higher Self. This is evident by reason of the fact that for four and a half million years the Presence has been unable to raise the outer consciousness into union with ITS consciousness, because the subtle and fine vibrations of the Presence fall unheeded upon the ears of the outer self.

God, in His Mercy, has thus provided spiritual counsel -- a step-down, through physical bodies highly developed as Mediators, of this counsel - which turns the outer self towards Truth. Many false mediators have come. The test of their reality, however, is if their teaching turns the outer self towards the individual's own Mighty "I AM" Presence - then that Mediator comes from God.

Humanity is like a group of people on one shore of a wide river where there is neither food, nor drink, nor sunshine. On the other side of the river is a land flowing with milk and honey. Humanity is unable to cross the river into this land of plenty except through the medium of a BRIDGE. Those who are wise walk on the Bridge into the rich fertile land, receive of its bountiful nourishment, and carry it back to their less alert brethren who refuse to enter the rich land by means of the Bridge, preferring to remain in privation until they can cross the river under their own motivation.

A Bridge is required until the spiritual knowledge has developed through repeated crossings to the other shore where all Truth is attained.

Beloved ones, LEVITATION is an activity of the spirit as well as of the body. When spiritual levitation is developed, each individual can plunge into the heart of his own Presence and bring forth the fullness of Truth, but the mass of mankind will never develop these spiritual powers until they accept and use the medium of a Bridge or Mediator to carry them into the Realms of Truth where they may sit humbly at the feet of the Master and acquire the ways and means by which their own spiritual perception may be developed.

Knowledge of the Masters, of the Sacred Fire, the Violet Flame, and the Divine Destiny of the planet Earth all was gained on the Far Shore and brought back to the land of privation.

It pleases Me, dear children of My Heart, that you have wisely and humbly partaken of this Cup. You have not condemned the 'plank and the cables of the Bridge', but have availed yourselves of the mercies that such a span affords. By repeated crossings, many of you will soon make sufficient contact whereby the Realm of the Real will flow into you, and you will remain, in consciousness, on that rich and verdant shore; thus in your dealings with your fellowman, every moment of which calls for the exercise of love and patience and self-discipline, will you be radiating centers of My Peace on Earth. My Love and Light are ever with you.

Blessings and Love,

MAHA CHOHAN
